Notice-and-Access

Prairie Provident Resources Inc. ("**Prairie Provident**" or the "**Company**") has, in respect of its annual and special meeting of shareholders to be held on May 22, 2025 (the "**Meeting**"), elected to use the "notice-and-access" system to distribute proxy-related materials to those of its shareholders who do not hold their common shares of the Company ("**Common Shares**") in their own name ("**Beneficial Holders**") and have not provided standing instructions to be sent paper copies.

Pursuant to the notice-and-access system, Beneficial Holders are being sent this notification instead of paper copies of the Company's notice of meeting and information circular dated April 15, 2025 (together, the "**Circular**"). Following is basic information about the Meeting and the matters to be voted on at the Meeting as well as instructions how to access the Circular electronically through the internet or, if desired, to obtain a paper copy of the Circular.

Distributing the Circular using the notice-and-access system substantially reduces printing and mailing costs to the Company and lessens the environmental impact of unnecessarily producing and distributing unwanted paper copies.
